

## **Auburn Wins Another Two Games – 6-0 on the Season**

Auburn University Wheelchair Basketball Team traveled to Birmingham, AL to play a couple games against the host, Lakeshore Foundation teams. Auburn faced off against the Lakeshore Lightning and the Lakeshore Storm in back-to-back games and was victorious in both winning 61-10 and 61-17 respectively.

Auburn opened the day with a game against the newly created Lakeshore Lightning. The Lightning had former collegiate athletes and a former Paralympic athlete on the team, but Auburn was ready for the challenge. Auburn was able to get a career game from Logan Caudle who shot 72.7% from the floor, scored 19 points and added 6 rebounds. Logan was in rhythm from the start of the game and helped carry the load. Junior, Fisher Rizk supported with 12 points of his own. The story of the game was Auburn's defense. Auburn held the Lightning to 11% from the floor with their smoothing defense.

The second game was a rematch from the weekend before between Auburn and the Lakeshore Storm. Auburn had won the first match-up 54-16 and was able to better that with a 61-17 win. Auburn had balanced scoring in this game with Logan Caudle (14 points), Fisher Rizk (14 points), and Sam Armas (11 points) all tallying double digits. This was the second straight game where everyone on Auburn's roster scored a bucket. The Storm were led by RJ Rogers who managed to knock down a couple of long range 3's as Auburn's defense keep the Storm from getting inside the paint.

Auburn plays again November 1<sup>st</sup> and 2<sup>nd</sup> when they head to Tuscaloosa to play in the Press Ganey Tipoff held on the campus of the University of Alabama. It will be Auburn's first of four match-up against the Crimson Tide. Auburn will also face the Memphis Rolling Grizzlies and the ABC Medical Black Warriors. Your next chance to catch your Auburn Tigers at home is November 9<sup>th</sup> and 10<sup>th</sup> when we host a tournament at historic Beard-Eaves-Memorial Coliseum
